

Conestoga Challenge Bicycle Road Race

Rain or Shine

Conestoga, Lancaster County PA.

Course: Another great new course. Challenging and beautiful this 12.6 mile per lap race features some tough, technical climbs followed by fast, fun descents and long stretches of flat roads along the Conestoga River. This race is not a Sunday stroll in the park. You will know you have done something special when you finish. This course is distinctly Old Europe in flair.
